# How it works

1. Simply photocopy the back page of this leaflet and distribute it to each participating child.  
For further copies download this pdf document from [www.classideas.co.uk](http://www.classideas.co.uk)
2. Ask the children to create their card drawing on the back of the parent's order form.
3. Insert the A4 page with the completed drawing on it into the child's bag to take home to their parent/guardian.
4. Collect money from any parent/guardian wishing to purchase their child's card design.
5. Send the completed form on the right with all the childrens' A4 pages to:  
Class Ideas, Unit 1b, Sovereign Way,  
Chester West Employment Park,  
Chester CH1 4QU
6. We will print and dispatch the cards, together with envelopes, back to the school to distribute. The school will be invoiced £5 for each pack ordered. Payment terms 30 days.

*The sooner you distribute the forms, the more packs you will sell!*
