STEP 1

Create your card design overleaf - remember the bolder the better! To ensure you get the best from your design, brightly coloured felt pens and paints are recommended. Avoid grey lead and light coloured pencils. Unfortunately due to the scanning process used, we cannot accept any designs that use 3D objects such as feathers, foam shapes, glitter, sequins, pom-poms and foil.

**Design for
any occasion:
Easter, Christmas,
Birthday, or even
Thank You cards!**
